## 753 - NEIGHBORHOOD STABILIZATION PROGRAM

U.S. Department of Housing and Economic Development

These funds are provided by the U.S. Department of Housing and Urban Development and are a one-time funding allocation. The primary objective of the Neighborhood Stabilization Program (NSP) grant is to support the redevelopment of foreclosed, vacant, or abandoned property or land through demolition, new construction, acquisition, and/or rehabilitation activities. The primary goals of the program are to stabilize communities disproportionately affected by the foreclosure crisis and to create or preserve affordable rental or ownership housing for low- and moderate-income households. The NSP grant generates income, which must be used to support NSP-eligible activities.

## 942 - COMMUNITY DEVELOPMENT BLOCK GRANT

U.S. Department of Housing and Urban Development

These funds are provided by the U.S. Department of Housing and Urban Development and are an ongoing annual funding allocation. The primary objective of the Community Development Block Grant (CDBG) program grant is the development of viable urban communities including decent housing, a suitable living environment, and expanding economic opportunities, principally for persons of low- and moderate-income. Special priority is given to the alleviation of economic distress through the stimulation of private investment and job creation, infrastructure improvement activities that address public health and safety, provision of social services, and improvement of the overall quality of life in the communities.

Turnover Adjustment in Facilities Management

IMPACT OF AMENDMENT:

\$0

EXPLANATION OF AMENDMENT:

Funding from this amendment will go towards the creation of an Electrician Apprenticeship Program for Cook County in the Department of Facilities Management. An apprentice is a paid worker who is enrolled in a special training program administered by an employer together with a labor organization or trade association. In partnership with our local electrician unions, it is the goal of Cook County to provide the highest quality training to those interested in a career in the various fields within the electrical industry. Apprentices graduated from the apprenticeship program are moved up to full trade status. This amendment will provide funding for two apprentices.

## COMMENTS:

Section 8. That, only employees on the 110 and 126 accounts are eligible for employee benefits not to exceed amounts commensurate with the pay they receive through their appointments when employed in less-than full-time status (except that employees on other accounts may be, as determined by the Board of Trustees of the Cook County Employees' and Officers' Annuity and Benefit Fund, eligible for pension benefits to the extent permitted by statute or health benefits if provided by collective bargaining agreement), provided that, effective July 1, 2014, judges and associate judges of the circuit court, employees (except those employed by the Health and Hospital System) who do not work more than 30 hours per week for standard measurement periods, Chairman and members of the Cook County Sheriff's Merit Board, and commissioners of the Chicago board of elections may not access County healthcare benefits unless they contribute the cost of the healthcare premium associated with said County healthcare benefits, and further provided that, effective January 1, 2014, no County funds shall be contributed to a person's County flexible spending account unless such funds are directly derived or derivable from said person's County compensation, all such employees shall be carried in zero-pay status on the roll from which they were granted leave. If it becomes necessary to hire a temporary full time replacement during the absence of employees on leave, these employees are entitled employee benefits. However, only employees or persons on 130, 133 and 155 accounts will receive benefits that have such provisions in their contract or employment agreement, or are otherwise authorized by the Chief of the Bureau of Human Resources. The Director of Budget & Management Services is hereby authorized to transfer amounts between the 110, 115, 119, 120, 126, 129, 130, 133, 155 and 169 accounts where necessary to support salaries for employees carried on these accounts. The Director of Budget & Management Services is authorized to make necessary transfers to the 110 account from the 115, 119, 120, 169 and other related accounts to cover salaries and wages consistent with pay plans approved by the Cook County Board of Commissioners. Transfers out of the 100 account series to the 200, 300, 400, 500, 600 or 800 accounts/accounts series will be required to follow the provisions outlined in Section 9 of this Resolution. That the Elected Officials, Heads of Departments, Office Institutions or Agencies of the County are prohibited from posting employment opportunities or offering employment or promotional opportunities chargeable to accounts 110, 126, 129, 130, 133 and 155 without obtaining written approval and confirmation from the Director of Budget & Management Services that funds are available for said employment opportunity. Budget & Management Service's validation of funds available for the purpose of position control shall include the combined 110, 115, 119, 126, 129, 133, 155, and 169 accounts. In those instances where Budget and Management Services has determined that an Elected Official's or Department Chief's annualized payrolls will exceed the turnover requirement for the next funding period, for purposes of position control, funds will be considered to be not available

Before any individual is extended an offer of employment and added to the payroll system or employees are recommended for a reclassification, the relevant Elected Official, Department, Office Institution or Agency of the County must obtain the prior approval of the Director of Budget & Management Services in order to validate those funds are available. Should employees be put onto the payroll system without these requisite approvals, while they will be paid for time worked, the Budget Director has the authority to withhold funding from an available account to pay for the unauthorized hire.

## EXPLANATION OF AMENDMENT:

With an over saturated case load, the need to have additional staff to meet court demand is imminent. Current Case Workers are exceeding industry standard by 80% higher case loads, relief is needed to provide proper attention to the vulnerable children awaiting services in High Risk family situations. There are hundreds of additional cases awaiting assignment at the recommendation of the court system that are 90 days past due. This will help relieve the system and get further attention to At Risk Children.

## EXPLANATION OF AMENDMENT:

Amendment to Budget Resolution Sections 8 &amp; 9

BUDGETARY UNIT: Resolution

## COMMENTS:

**Section 8.** That, only employees on the 110 and 126 accounts are eligible for employee benefits not to exceed amounts commensurate with the pay they receive through their appointments when employed in less-than full-time status (except that employees on other accounts may be, as determined by the Board of Trustees of the Cook County Employees' and Officers' Annuity and Benefit Fund, eligible for pension benefits to the extent permitted by statute or health benefits if provided by collective bargaining agreement), provided that, effective July 1, 2014, judges and associate judges of the circuit court, employees (except those employed by the Health and Hospital System) who do not work more than 30 hours per week for standard measurement periods, and commissioners of the Chicago board of elections may not access County healthcare benefits unless they contribute the cost of the healthcare premium associated with said County healthcare benefits, and further provided that, effective January 1, 2014, no County funds shall be contributed to a person's County flexible spending account unless such funds are directly derived or derivable from said person's County compensation, all such employees shall be carried in zero-pay status on the roll from which they were granted leave. If it becomes necessary to hire a temporary full time replacement during the absence of employees on leave, these employees are entitled employee benefits. However, only employees or persons on 130, 133 and 155 accounts will receive benefits that have such provisions in their contract or employment agreement, or are otherwise authorized by the Chief of the Bureau of Human Resources. The Director of Budget & Management Services is hereby authorized to transfer amounts between the 110, 115, 119, 120, 126, 129, 130, 133, 155 and 169 accounts where necessary to support salaries for employees carried on these accounts. The Director of Budget & Management Services is authorized to make necessary transfers to the 110 account from the 115, 119, 120, 169 and other related accounts to cover salaries and wages consistent with pay plans approved by the Cook County Board of Commissioners. Transfers out of the 100 account series to the 200, 300, 400, 500, 600 or 800 accounts/accounts series will be required to follow the provisions outlined in Section 9 of this Resolution.

That the Elected Officials, Heads of Departments, Office Institutions or Agencies of the County are prohibited from posting employment opportunities or offering employment or promotional opportunities chargeable to accounts 110, 126, 129, 130, 133 and 155 without obtaining written approval and confirmation from the Director of Budget & Management Services that funds are available for said employment opportunity.

Budget & Management Service's validation of funds available for the purpose of position control shall include the combined 110, 115, 119, 126, 129, 133, 155, and 169 accounts. In those instances where Budget and Management Services has determined that an Elected Official's or Department Chief's annualized payrolls will exceed the turnover requirement for the next funding period, for purposes of position control, funds will be considered to be not available.

Before any individual is extended an offer of employment and added to the payroll system or employees are recommended for a reclassification, the relevant Elected Official, Department, Office Institution or Agency of the County must obtain the prior approval of the Director of Budget & Management Services in order to validate those funds are available. Should employees be put onto the payroll system without these requisite approvals, while they will be paid for time worked, the Budget Director has the authority to withhold funding from an available account to pay for the unauthorized hire.

**Section 9.** In order to make necessary transfers of \$10,000 or less within and between the 100 (excluding the 110 account), 200, 300, 400, 500, 600 and 800 accounts/account series, the Elected Officials, Heads of Departments, Offices, Institutions or Agencies are hereby required to request and receive advance approval from the Director of Budget & Management Services. Upon request and justification from the Agency, the Director of Budget and Management is hereby authorized to review said transfer requests and approve said transfer requests in an amount equal to \$10,000 or less within and between accounts without Board approval. A report of such approved transfers shall be made to the

Cook County Board of Commissioners by the Director of Budget & Management Services via placement of said report on a Board Agenda on a quarterly basis. Except for transfers authorized in Section 8, transfers requested that are equal to or less than \$10,000 from the 110 account or greater than \$10,000 that are within or between the 100, 200, 300, 400, 500, 600 or 800 account series will require the advance approval by the Board; transfers requested that are equal to or less than \$10,000 from the 110 account or greater than \$10,000 that are within or between the 100, 200, 300, 400, 500, 600, or 800 account series in the Health and Hospital System or for the Land Bank will require the advance approval by the Health and Hospitals System Board or the Land Bank Board, respectively. Transfers made for department 018, account 350 are restricted to the following accounts: 183, 190, 241 or 289. The Elected Officials, Heads of Departments, offices, institutions and Agencies of the County, are prohibited from incurring any liability against any account in excess of the amount herein authorized for such account without securing the prior approval by the Director of Budget & Management Services and/or the Board of Commissioners or the Health and Hospitals System Board for the pledging of appropriate unencumbered balances for subsequent transfer as provided for by the Board of Commissioners or the Health and Hospitals System Board. The Director of Budget & Management Services is hereby authorized to issue rules governing transfers.

## EXPLANATION OF AMENDMENT:

On February 1, 2012 Commissioners Gainer, Collins, Gorman, Murphy and Sims introduced an amendment to the Amusement Tax Ordinance which closed a tax loophole that had been providing outdated tax exceptions for the Lollapollaza Music Festival. Closing this loophole has since generated approximately \$700,000 in new revenue for the County. This Budget amendment will direct \$100,000 in funding to youth summer jobs throughout Cook County to be administered by the Cook County Forest Preserve.
